

PRODUCT INFO, HORT No.103

QM-420 FAN FRAME BUMPER, HP-323

Applicable to all 2 and 3-row QM-420 sprayers plus 3-row Smart Spray.

HP-323, BUMPER BRKT ASSY QM420 FAN FRAME

For protection of fan frames banging against the tank when the boom arms are folded in, and the fan frames are left in the spray position. (Isn't an issue when the fans are rotated for transport).

Now being fitted as standard to all **2 and 3-row QM-420 sprayers**, one bumper each side. On 3-row sprayers, only fitting to the 2nd row frames.

The bumper will also be used on **3-row Smart Spray** machines as protection for the hydraulic fittings of the 3rd row fans. In this case the bumper is mounted on the front brace (not the fan frame). This requires longer U-Bolts.

Also available as a retail retrofit kit

Part Number = HP-323-RETRO

Each (dual purpose) kit comprising of ...

- 1 x HP-323-1 Bumper bracket
- 1 x HP-733-1 Docking rubber (350 mm), pre-assembled to the bracket.
