

WEEDit Transport Kit (MP-375) – update 2

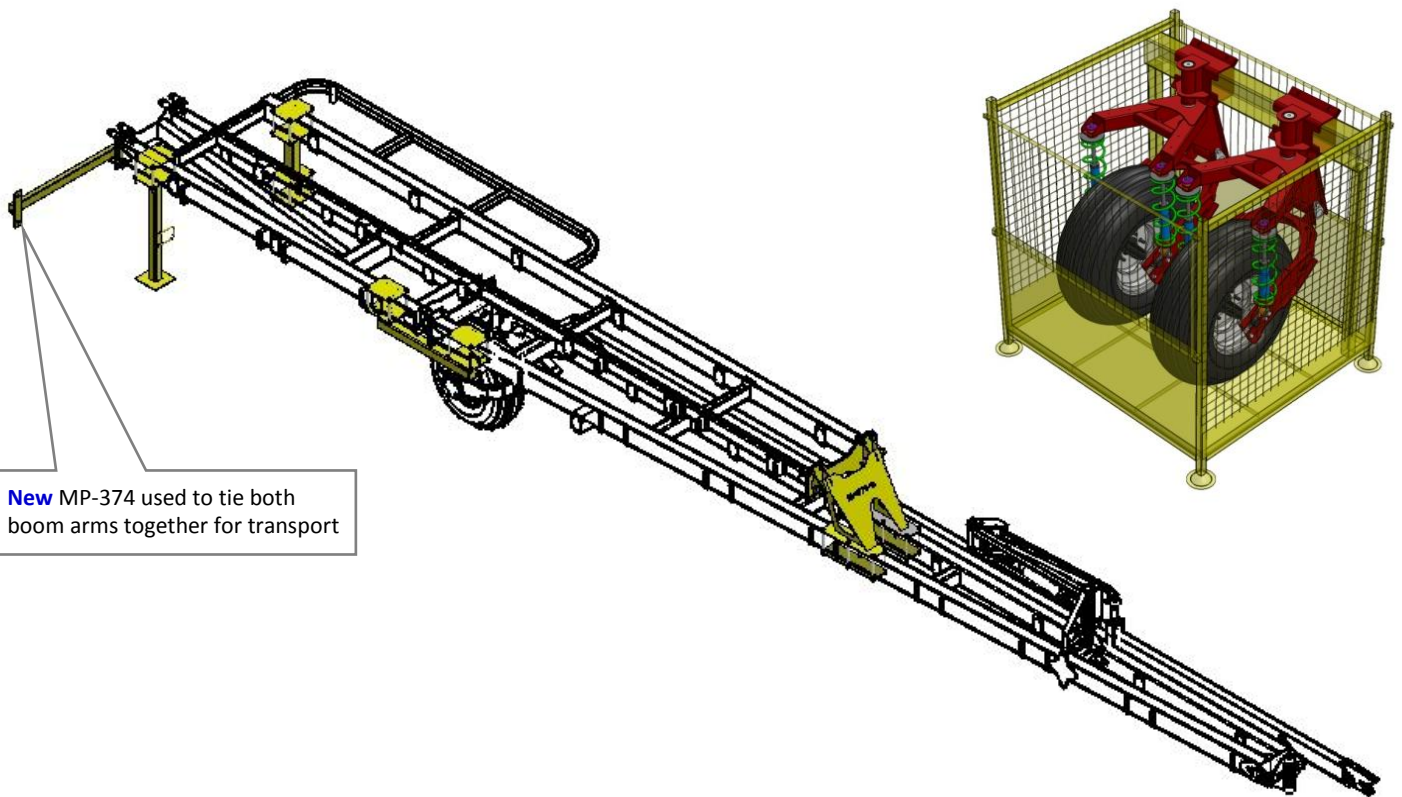

WEEDit Transport Brackets & Stillage : [Return to Croplands after delivery.](#)

WEEDit Sprayers with booms longer than 28 metres are shipped double tiered and the outer castor wheels supplied in a separate stillage / pallet. This requires a variety of brackets, braces & hardware, as per this document.

Customers are billed for the transport kit – which is refunded upon return of all components (including stillage cage).

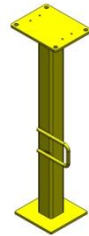

Note: From time to time not all items are included in the kit.

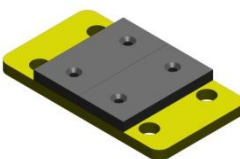

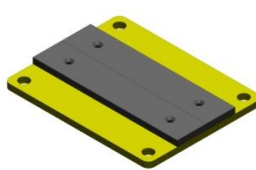

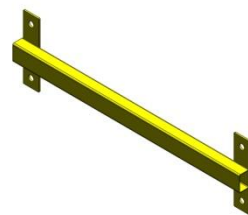

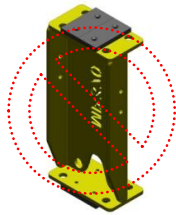

Use these pages to check off supplied & returned components. **SERIAL NO. =** _____
