

**CROPLANDS PART NUMBER: WI46004402A-2**

**SOLENOID (5) PLUMBING & LOOM KIT**

<u>ITEM</u>	<u>Part Number</u>	<u>Description</u>	<u>Common with old Assembly (WI46004453)</u>
	WI46004454	Solenoid PWM AMP	No
10	WI46000998	Plastic nut for solenoid 46004452	Yes
20	WI46004442	O-ring for solenoid plunger tube Viton, size 11, 3 x 2,4mm	Yes
30	WI46003060	Coil 12V-5 Watt, flying leads, 2 way TE connector	No
40	WI46004440	O-ring for solenoid plunger tube Viton, size 8,73 x 1,78mm	Yes
50	WI46003053	Shim for bayonet solenoid	No
60	WI46003052	Bayonet ring for solenoid, PA6	No
70	WI46003055	Tube operator, stainless steel, for bayonet	No
80	WI46004681	Plunger for solenoid	Yes
90	WI46003050	Solenoid body, push fit, bayonet, PA6	No
100	WI46004441	O-ring for solenoid body	Yes
110	WI46000110	Seat gasket EPDM for Quick TeeJet Cap	Yes
120	WI46000121	QuickJet Cap, nylon, black	Yes
Not shown	WI46004419	Solenoid Cable – RO1.3, 5 x TE connectors	No
Not shown	WI46004414	Solenoid Cable XL – RO1.3, 5 x TE connectors. Croplands special	No

***Service and Parts advice***

- The new assemblies (WI46005454) can be swapped in field for the old assemblies (WI46004453).
- As the Solenoid cable is different, sensors cannot run a mix of old and new style solenoid bodies.
- New coils can be fitted to the old WI46004453 assemblies will continue to be available.
